

Greetings Quilter!

Please read the checklist carefully and mark each line to be sure your quilt top is ready for longarming and to avoid delays in quilting/additional charges. Most edge-to-edge pantographs are priced at \$.02 per square inch\*\*\*. (Multiply the length X width of your quilt to find the number of square inches then multiply the total square inches X .02 to determine approximate cost. There is a minimum charge of \$40.00. Please make a note on the INTAKE SHEET if you would like your quilt trimmed to one-inch larger once it has been longarmed. This service is available for an additional charge of \$10.00 per quilt. 6% PA sales tax will be added to the total. Cash or check payable to JULIE MOTT is due once your quilt is ready for pick up.

**PIKE COUNTY QUILT COMPANY QUILT PREP CHECKLIST:**

- \_\_\_\_\_ Call Julie ahead of time to discuss your quilt (570-507-0196).
- \_\_\_\_\_ Quilt checked for missed or loose seams, threads trimmed\*.
